Be the first to try our new Ales for ALS™ "Dooph" Cold IPA! Dooph is a light and crisp Cold IPA that lets the hops shine. With bright notes of lemon peel, hints of tropical fruit and melon, and backed with the slightest touch of grapefruit and pine, Dooph is the perfect IPA for patio weather.

"As brewers we can only do so much, but the role of beer is to help people connect to people. This cause is one of our ways to help raise awareness and critical funding to help change the world of ALS through the power of beer and community."
Michael Connolly, owner, The Brewer's Cabinet.
